

DLEU1__p1__tile2__plus

Sequence alignment visualization showing the reference sequence (DLEU1__p1__tile2__plus) and the alignment of reads (represented by horizontal bars) across the sequence. The sequence is color-coded by nucleotide: C (blue), G (green), A (red), T (orange).

Reference sequence: CCTCCCGCCAGCCACA**TGGC**AGATC**ATCG**GGTGCACGGCTCTCCCTTTGCTTCTTCGGTTGCAGTCC**CTTG**CTTCTTCCCGGT**GCG**TGTA
